REV. NIKOLAI BRECKENRIDGE

June 10, 2022

TO WHOM IT MAY CONCERN:

Our church, St. John Orthodox Catholic Church of New Kensington, was in need of a dome refurbishment. We were referred to Francis J Hutta of Coaldale, PA. He and his son did an outstanding job. They were understanding, knowledgeable and efficient. They gave us a fair price and did a professional job. They went above and beyond; not only doing our dome, but also finishing our two crosses and reattaching a cross that had come loose.

The church members and neighbors in the community are raving about how wonderful it looks.

I highly recommend Francis J. Hutta and his team for your project. Judging from my experience you will be very satisfied.

Sincerely,

Fr. John Parker,
Acting Rector
