Mt. Hutta:

We at Holy Trinity Greek Orthodox Church cannot express our thanks enough for such a beautiful job of the gold plating on our dome. We continually receive comments and praise about how our church stand out like a beacon to the Clearwater Community. It can be seen from miles away as people drive down the highway.

All the work was completed in a timely manner and you went above and beyond by helping us with the gold plating of our baptismal font as well.

All the work was impeccable and we would highly recommend your company to anyone interested in gold plating any part of their church or sanctuary.

We took the advice of another parish in Florida to use your company, and we hope that this letter will encourage others to do the same.

Thank you again from the entire Holy Trinity Greek Orthodox Church community.

Sincerely,

John Pantelis
Parish Council President
