Dear Mr. Crowley,

On behalf of the Saint Mark Greek Orthodox Church, I offer my heartfelt congratulations and compliments on the dome that you restored to our Church sanctuary. Our dome has become a landmark in Boca Raton, thanks to your product, RealGold.

We also extend our gratitude for the wonderful work of installation by Francis J. Hutta, who finished the job in record time. His due diligence is truly appreciated, so much, that we continue to call upon him for roofing needs of our Church.

Please consider this a strong endorsement of both RealGold and the craftsmanship of Francis, and know that we are willing to speak to anyone who may have questions about the work you all provide.

Faithfully,

Rev. Mark A. Leondis, Senior Pastor
